The National High School Mock Trial Championship Board in partnership with **Great River Technologies** presents:

The NATIONAL MOCK TRIAL PRACTICUM web site

The Mock Trial Practicum was developed to help coaches start a new program or build on the current program already in place.

Features include:

- **VIDEO CLIPS** – demonstrations of opening statements, closing arguments, direct examinations, cross examinations, and rebuttals.
- **INTERACTIVE EXERCISES** – helps students better understand how to give a statement, ask questions, control a difficult witness, and make timely objections. This allows a student to watch a clip of a direct and choose the appropriate objection. The system will provide feedback to the student on the accuracy of the objection and hear a legitimate response.
- **FLASH CARDS**
- **DRAG & DROP EXERCISES**
- **DEFINITIONS & ANALYSIS**
- **USE DISCUSSION BOARD TO ASK EXPERTS QUESTIONS**
- **QUIZ QUESTIONS**
- **TEST YOUR KNOWLEDGE**
- **ANNOUNCEMENTS**
- **CALENDAR EVENTS**
