About the Seminar

Back by popular demand, the Deposition Academy will take place on June 15 - 16, 2017, at the Mississippi Bar Center (643 North State Street in Jackson). The two-day program will consist of one day of instruction and one day of mock depositions, during which program attendees will observe accomplished litigators conduct the deposition examination of a Rule 30(b)(6) witness, a party, and an expert witness. The Deposition Academy has been tailored to provide young lawyers practical and strategic skills and tools for conducting successful depositions of various parties and witnesses by learning from, and observing the deposition techniques of, seasoned trial attorneys. To ensure that each attendee is provided the optimal learning experience, program participation is limited to 40 attendees. The Deposition Academy sold out quickly last year, so don't wait to register. Each attendee will receive 14.0 hours of CLE credit, including 1 hour of ethics, for completing the two-day Deposition Academy.
