The following changes were made to Rule 3. CLE Requirement (amended effective July 1, 2015):

- b. Each attorney newly licensed to practice law in the State of Mississippi, from and after August 1, 2015, shall, by the conclusion of the second CLE year occurring after their date of admission to The Mississippi Bar, attend or complete a new-lawyer program approved by the Commission on Continuing Legal Education, which shall be comprised of a total of twelve (12) actual hours of CLE to include six (6) hours of basic skills training and six (6) hours of ethics/professionalism. Completion of the new-lawyer program shall satisfy the requirement of subsection (a) of this Rule for such newly licensed attorney for both the CLE year of admission and the next succeeding CLE year.

- c. Attorneys newly licensed to practice law in the State of Mississippi, but previously admitted to the practice of law in another state, may be exempted from completing the six (6) hour basic skills training component of the new-lawyer program. To qualify for this exemption, within three (3) months of admission to The Mississippi Bar, the newly licensed attorney must submit an affidavit to the Commission on Continuing Legal Education, providing the date or dates of admission in every other state in which the attorney is admitted to practice and a declaration that the attorney has been actively engaged in the practice of law for five (5) or more years immediately prior to admission in this state. Upon submission of a timely affidavit, the newly licensed attorney shall be required to complete the six (6) hour ethics/professionalism component of the new-lawyer program within nine (9) months, after which time the attorney will be required to comply with the annual CLE requirement prescribed in Rule 3(a).
