At-door registration is \$150 and is limited to availability. The Bar's CLE on the Road programs provide lawyers an opportunity to obtain quality CLE at an affordable price without having to travel a long distance.

Also, presenting will be Chip Glaze, Lawyers and Judges Assistance Program Director; Adam Kilgore, General Counsel of The MS Bar and Missye Martin, Deputy General Counsel of The MS Bar will be discussing effective communication and de-escalation in law practice along with protecting the present and planning for the future.

Tom O'Connor of Advanced Discovery and Craig Bayer of Optiable will share common (avoidable) mistakes law firms make that threaten security of client data. How do you terminate an employee in the era of BYOD (Bring Your Own Device) and still protect your firms data? What steps can you take to limit the likelihood they you get a ransom-ware virus that deletes all your documents? How can you encrypt your email? We will offer commonsense tips without trying to just scare you.

MS Electronic Courts will be providing an update on new initiatives.

The Mississippi Access to Justice Commission will be providing an update on its current initiatives, including new legal technology resources available to help low-income Mississippians access the state's civil courts and an upcoming statewide legal clinic initiative that will take place in June 2018.
